

DECISION NOTICE

Application Ref: P/147/21/RES

1 To Addressee

Alcove Architecture Ltd
25a New Broadway
Worthing
BN11 4HP

2 Site Address

Land adjacent to Sefter School House
Sefter Road
Bognor Regis
PO21 3EE

3 Description of Development

Approval of reserved matters following P/116/19/OUT for 4 No semi detached 3 bed & 2 No detached 4-bed dwellings with associated access, parking & gardens (resubmission following P/111/21/RES).
This site is in CIL Zone 5 and is CIL Liable as new dwellings.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

1 The development hereby approved shall be carried out in accordance with the following approved plans:

P001 Rev B Location Plan;
P003 Rev F Block Plan as Proposed;
P004 Rev F Site Plan as Proposed;
P005 Rev F Site Elevations as Proposed and Images;
P101 Rev B Plot 1 Floor Plans and Section;
P102 Rev B Plot 1 Elevations;
P111 Rev B Plots 2 and 3 Plans and Section;
P112 Rev B Plots 2 and 3 Elevations;
P121 Rev B Plots 4 and 5 Plans and Section;
P122 Rev B Plots 4 and 5 Elevations;
P131 Rev B Plot 6 Plans and Sections;
P132 Rev B Plot 6 Elevations;
P141 Rev A Bin Store;

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policies D DM1, D SP1, QE SP1 and T SP1 of the Arun Local Plan.

- 2 Prior to the commencement of development a detailed level survey of the site including existing and resulting ground levels and the slab levels of the building the subject of this approval, shall be submitted to and approved by the Local Planning Authority. The development shall proceed only in accordance with the details thus approved and there shall be no subsequent raising of levels without prior written approval of the Local Planning Authority.

Reason: In order to safeguard the amenities of the area and neighbouring residents in accordance with policies D DM1 and QE SP1 of the Arun Local Plan. This is required to be a pre-commencement condition because site levels must be set prior to works commencing on the new houses as otherwise it would be difficult and expensive to rectify any changes.

- 3 No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall permanently thereafter be kept for their designated purpose.

Reason: To provide car-parking space for the use in accordance with policy T SP1 of the Arun Local Plan.

- 4 No development above damp proof course (DPC) level shall take place until full details of the proposed in-curtilage cycle sheds have been submitted to and approved in writing by the Local Planning Authority and the houses shall not be occupied until the approved cycle storage sheds associated with them have been erected/provided. These cycle storage spaces shall thereafter be permanently retained and maintained.

Reason: To provide alternative travel options to the use of the car in accordance with Arun Local Plan policies T SP1 and T DM1.

- 5 No development above damp-proof course (DPC) level shall take place unless and until a colour schedule of materials and finishes to be used for external walls and roofs of the proposed buildings have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the buildings.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and local character in accordance with policy D DM1 of the Arun Local Plan.

- 6 No development above damp-proof course (DPC) level shall take place unless and until the applicant has provided details for approval in writing by the Local Planning Authority to demonstrate that either (a) at least 10% of the energy supply of the development will be secured from decentralised & renewable or low carbon energy sources (as described in the glossary at Annex 2 of the NPPF) or (b) it can be demonstrated that a fabric-first approach would achieve an equivalent energy saving. The development shall then be implemented in accordance with the approved details and retained as operational thereafter.

Should any air source heat pumps be proposed then technical specifications from the manufacturer should be submitted along with the proposed position of any potential heat pump to demonstrate that the sound pressure level from the heat pump will not be greater than 42dBA at the facade of the nearest noise sensitive receptor.

Reason: In order to secure a reduction in the use of energy at the site in accordance with national

planning policy and policy ECC SP2 of the Arun Local Plan.

- 7 Prior to the occupation of the dwellings, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved dwellings shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be permanently retained and maintained in good working condition.

Reason: New petrol, diesel and hybrid cars/vans will not be sold beyond 2030, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun Parking Standards SPD and the National Planning Policy Framework.

- 8 Prior to the occupation of any part of the development, a strategy for the provision of the highest available headline speed of broadband provision to future occupants of the site shall be submitted to and approved in writing by the Local Planning Authority. The strategy shall take into account the timetable for the delivery of 'superfast broadband' (defined as having a headline access speed of 24Mb or more) in the vicinity of the site (to the extent that such information is available). The strategy shall seek to ensure that upon occupation of a dwelling, the provision of the highest available headline speed of broadband service to that dwelling from a site-wide network is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway. Unless evidence is put forward and agreed in writing by the Local Planning Authority that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure, the development of the site will continue in accordance with the approved strategy.

Reason: To safeguard the amenities of future residents in accordance with Arun Local Plan policy TEL SP1.

- 9 All bathroom and toilet windows in the elevations of the buildings shall be glazed with obscured glass and permanently retained so thereafter.

Reason: To protect the amenities and privacy of existing and future occupiers in accordance with policies D DM1 and QE SP1 of the Arun Local Plan.

- 10 No windows (other than those shown on the plans hereby approved) shall be constructed in the flank elevations of any of the dwellings hereby approved without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: To protect the amenities and privacy of existing and future occupiers in accordance with policies D DM1 and QE SP1 of the Arun Local Plan.

- 11 Notwithstanding the provisions of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order, 2015 (or any Order revoking or re-enacting this Order) no rear extensions shall be constructed or buildings shall be erected within the curtilage of the same plots unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: To maintain adequate private amenity space in accordance with policy D DM1 of the Arun Local Plan.

This application is subject to the Community Infrastructure Levy (CIL) as levied under Arun district Council's CIL Charging Schedule as adopted on 15th January 2020.

Shortly you will receive a Liability Notice which includes the calculated charge and person(s) liable to pay. If you have not submitted all the necessary CIL forms such as Assumption for Liability ([Form 2](#)) or any appropriate exemption or relief forms available on the Councils website <https://www.arun.gov.uk/cil> you must do so prior to commencement of your development. Failure to do so would invalidate any claim for exemption or relief. Furthermore, you must remember to submit your Commencement Notice no later than the day before the day on which the chargeable development is to commence. Failure to do so could result in a surcharge of up to £2,500.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Neil Crowther
Group Head of Planning

Case Officer: Mr S Davis

Decision Issued: **5th January 2022**

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
