Dear Mr Wood,

I have visited the site and at the time assessed the proposal to be acceptable. Nothing has changed in my mind since so this will be written up for approval. I cannot say for sure yet when I will make the decision as my caseload is around double what it should be. Could you agree an Extension of Time until 5th May which should then be plenty of time allow me to get a decision written up & issued.

Kind Regards

Dear Mr Davis,

I am the Agent for the above application, and was enquiring to the progress of the application. I see that the consultation replies have been positive and there have been no neighbour complaints. I appreciate that often, flat roof dormers to the front elevation are less than ideal, but the dormer has been designed to match the scale and style of the adjacent dwelling, so hopefully will be acceptable in this case.

I hope that your recommendation is for approval, but if you have any thoughts or would like to discuss anything, I'd be happy to be of assistance.

Kind regards,

Nik Wood
