Cycle Storage

January 22
First Issue
JE

Outline Planning Permission has been granted on 1st October 2020 for 6no dwellings on the application site, ref: P/116/19/OUT.

Reserved Matters Application ref P/147/21/RES was approved on 5th January 2022 with Planning Condition no 4 stating:

No development above damp proof course (DPC) level shall take place until full details of the proposed in-curtilage cycle sheds have been submitted to and approved in writing by the Local Planning Authority and the houses shall not be occupied until the approved cycle storage sheds associated with them have been erected/provided. These cycle storage spaces shall thereafter be permanently retained and maintained.

This document is submitted in relation to this specific Condition Discharge
