Dear Mr Easton

Arun DC Planning Application P/153/21/RES
Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 375no. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

We have the following comments with regard to the above application:

While rights of way (FP100, FP101) appear to be accommodated in the legal sense, it doesn't look as though the view from footpaths - 'the walking environment' - has figured sufficiently highly in the design brief. Except for the footpath connection points, the layout proposals adjacent to all RoWs could just as well have been

designed for any 'private' site boundary; very little or no site space is given over to the environment of the RoW boundary or corridor in mitigation or compensation for the loss of open countryside to residential development.

We therefore do not support this proposal.

Yours sincerely

John Cooban
