Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)

Application No: P/153/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 375no. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 16th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43297

In addition please apply my objection against the following planning applications as the objection remains the same

P/167/21/RES, P/155/21/RES and P/158/21

The infrastructure, our roads aren't suitable now, it's just gridlock on the B2166 now, an absolute nightmare in the mornings. We have one doctors surgery which is already overstretched as well as our hospital. Sewage is already a problem, there are regular discharges into the harbour already.

With the erosion of the beach we already run the risk of flooding with out all of these new developments.

It is noted Sussex Ornithological Society have clearly stated that the mitigation for the Brent geese at this site has failed.

Finally, is Arun not abiding by the governments green agenda of not building on fertile farmland.

Your views as made above will be considered before the application is determined.
