Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/153/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 375no. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 17th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43360

Please could you apply my objection against the following applications as the objection remains the same on all P/167/21/RES, P/155/21/RES, and P/158/21/RES.

My main objections are that no consideration to the environment has been given to the effects of such a large number of new dwellings being built in a concentrated area. There is no improvement to our overcrowded roads proposed, the impact on our hospitals and GP Services has been ignored. Also the local sewage cannot cope with the existing effluent and regularly discharge untreated sewage.

It is also noted that SOS (Sussex Ornithological Society) have clearly stated that the mitigation for the Brent Geese at this site has failed. Arun DC, against the wishes of the author chose not to put this report on the portal even though it was sent to ADC in early July 2021, this has delayed further investigations by other parties.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>
