Hi my name is Alan Paul, I live at 68 pagham road. Po214nw. I would like to object to the proposed planning P/153/21/RES and also P/167/21RES P155/21/RES P/158/21/RES . The village of pagham will not be able to cope with the building proposed. Hospitals schools roads sewage will not cope. Southern water already pump vast amounts of sewage into the sea off pagham. The nature reserve will also be in threat. The nesting Brent Gease will no longer be able to stop on there migrating. Please think about what you are doing before it's to late.
