Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/153/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 375 No. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 27th October 2022 which has been recorded as an objection with the comments as follows:

OWPC51913

This is madness. The infrastructure as it is will not cope. Pagham Road will become gridlocked with all the additional vehicles and the water companies are still pumping sewage into the sea as it stands so how will they deal with the extra waste from all these additional Houses.

are you aware it can take up to an hour some mornings to get out onto the A27 from the Pagham Road and has done for some time now. Imagine the chaos this development will bring to Pagham. These are just a few points as to why I object. There are many more I could raise like doctor's surgeries and The Nature Reserve but having expressed my feelings to you once again I am beginning to think nobody seems to want to listen.

Kind Regards,
Gerald Bond
