Plots 125-126

Plots 127-129

Plots 130-133

Architectural elevation drawing of the proposed development. The drawing shows four building footprints from left to right, each with a set of plot numbers below it. The buildings are two stories high with brick facades and gabled roofs. The first building (left) is labeled 'Plots 110-112'. The second building is labeled 'Plots 107-109'. The third building is labeled 'Plots 105-106'. The fourth building (right) is labeled 'Plots 103-104'. The drawing includes trees, a fence, and a road with a sidewalk.
