Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/153/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 350 No. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 25th October 2023 which has been recorded as an objection with the comments as follows:

OWPC62607

The infrastructure cannot support more development. The local school is full and the doctors is over subscribed. Traffic in and out of Pagham is ridiculous at rush hour and even worse if incident on the Pagham road it becomes impossible to get out or in! That's not even to mention that it is ridiculous to consider building on green land that is currently underwater. You risk flooding to the existing residents by building over these fields. On top of existing developments already going ahead it would be irresponsible to approve these further 350 homes.

Your views as made above will be considered before the application is determined.
