Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 350 No. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. Thank you for your internet representation made on 12th November 2023 which has been recorded as an objection with the comments as follows:

OWPC62971

This has to stop. There has been a reckless and irresponsible approach to housing developments in the Pagham area. The local roads are not fit for the volume of traffic being forced into the area. Since developments commenced flooding has increased, the roads are becoming damaged and congestion is utterly unacceptable. I have recently endured school runs taking more than an hour and had to give up keeping my son at home sometimes. I recently counted a queue of more than 200 cars, stationary, trying to drive out of Pagham and that is before the existing irresponsible new builds are completed, let alone the irresponsible proposals in progress. The roads are becoming more and more dangerous for cyclists and pedestrians. One day soon someone is going to be killed and we are all ready to point a finger of blame as those in positions of responsibility continue to ignore the warnings and pleas from residents. By all means turn a village into a town, but develop the infrastructure first. Enough is enough.
