Dear Sir/Madam,

Application No: P/153/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning Permission P/140/16/OUT for the erection of 350 No. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 13th November 2023 which has been recorded as an objection with the comments as follows:

OWPC62994

This is absolute madness. The roads are lake like, almost creating an island in the winter and are a complete standstill most days. There is not enough infrastructure to support these houses. Not only for doctors surgery, hospital appointments and medical emergencies. School places, policing and the destruction of wildlife habitats. Is this a brownfield site? Build a playground it's cheap and really useful! I am sure us pensioners will really enjoy it! I notice from the previous housing they were advertised as second homes, this is unacceptable and should be made only available to local people. Not at an inflated price.

I have to ask the question, what's in it for us, the people of Pagham? We are on the periphery of Chichester and Arun councils and seemed to be dumped upon at every opportunity.

I am so sad that you are destroying the village that I have grown up in and value profits above the quality of our lives.

Is by putting in drainage putting in a ditch to flood other people out. The drainage should not be just adequate but extremely robust.

Your views as made above will be considered before the application is determined.
