Please Note:

This drawing must only be scaled for planning purposes, dimensions to be checked on site and any discrepancies are to be highlighted to the Architect prior to construction.

Prior to the commencement of any works, the Contractor is to check and / or determine all construction details including checking existing site levels and dimensions.

This drawing is to be read in conjunction with all other project drawings, construction notes and / or project specifications including those by other project consultants and specialists. All discrepancies should be reported immediately.

Design subject to detail development / approval.

Measurements and accommodation schedules subject to amendments following coordinated input by others.

Costings cannot be finalised until approval / confirmation by relevant authorities and Client.
