Mr Crowther

I note what you say but invite you to reconsider your asserted position and the manner in which you are choosing to operate those powers delegated to you by Mr Roberts under the Councils Scheme of delegation in the light of Part 4 General Principles of the Constitution (copy attached for ease of reference) and my site specific correspondence sent under separate cover.

I also invite you to respond to the question I asked Mr Easton in the first paragraph of my e mail in the light of the attached and notwithstanding same also invite the Planning Committee and/or its Chairman to exercise its authority to require that these applications be determined by the Committee and not by Officers in accordance with paragraph 2.6. Notwithstanding the foregoing I have also copied this correspondence to the Chief Executive so that he may give consideration to the matters raised in accordance with paragraph 1.6 of Part 4.

Thankyou

Mr Collins,

You will note that the Constitution refers to only 'minor or major applications for planning permission' are affected by a Parish objection in terms of where they are determined. DOC's are neither. Therefore, in accordance with the Constitution, they do not go to Committee and no unlawful decisions have been taken.

Dear Mr Easton

In view of the Pagham Parish Council Objections and the large number of objections from local residents please can you confirm by e mail that in the event that you as the Case Officer is minded to recommend approval and/or discharge in response to these applications, these recommendations will be reported in writing to the Planning Committee for decision in accordance with the Officers Scheme of delegation set out in the Constitution at Part 4 Section 3 (<https://democracy.arun.gov.uk/documents/s10129/PART%204%20-%20SoD%20-%20Section%203%20Group%20Heads.pdf>) rather than being determined by the Group Head of Planning. (Mr Crowther).

I ask for confirmation because I note that the earlier application made under ADC Ref: P/83/21/DOC - *Approval of details reserved by condition imposed under ref P/140/16/OUT relating to Condition No 6 - design code masterplan* was approved (unlawfully) by Mr Crowther (presumably on your recommendation but without any written report and/or recorded decision making process) and not by the Planning Committee in direct conflict with objections made by Pagham Parish Council et al and therefore that approved scheme of delegation and in direct conflict with Policies HSP2 and HSP2a of the ALP .

Please place this e mail and any response on the file for future reference if required.

- 1.6 In respect of any matter falling within the parameters of this scheme, the Chief Executive may in writing make such detailed delegations to Directors concerning functions and activities within their areas of responsibility as they consider appropriate.
- 1.7 This scheme delegates powers and duties within broad functional descriptions. It includes powers and duties under all legislation, byelaws present and future, and common law provisions, within those descriptions, and all powers and duties incidental to that legislation including the institution and conduct of proceedings. The powers and duties shall be exercised in accordance with the Constitution and the policies and objectives of the Council relevant to the matter upon which action is to be taken.

- 2.5 Any matters relating to the making and/or alteration of Council policy shall be referred to the Full Council or the relevant Service Committee.

- 2.7 The Chief Executive, a Director or Group Head may, after consultation with any officer concerned, refer to the Council, the appropriate Committee or Sub-Committee for decision any matter which has been brought to their notice and which in their opinion, because of special difficulty or otherwise, warrants such reference.
