Dear Andrew,

I would suggest that you reply direct to Pagham Beach Holdings but also cc me in. I will then add your reply to the website files. Should you feel the need to change any plans/provide any new ones then I will also get these changes on the system.

Kind Regards

Dear Simon

I hope all is well with you. As you will have seen, we have now resubmitted a planning application for the plot at 31 Lagoon Road, Pagham.

I see on the portal that there has been a letter from Pagham Beach Holdings requesting further information. What is the protocol here: do we respond to you, directly to him or leave it to your department to reply?

Meantime, as I am sure you are aware, there has now been a formal Environmental Product Declaration for straw bales as a building material:

Andrew
