

DECISION NOTICE

Application Ref: P/157/21/PL

1 To Addressee

Mr & Mrs Prentis
31 Lagoon Road
Pagham
PO21 4TQ

2 Site Address

31 Lagoon Road
Pagham
PO21 4TQ

3 Description of Development

Demolition & erection of 1 No dwelling (resubmission following P/56/21/PL). This site is in CIL Zone 4 and is CIL Liable as new dwelling.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

B_500 Proposed Location and Block Plans;
B_100 Proposed Ground Floor Plan;
B_101 Proposed Roof Plan;
B_200 Proposed Elevations; and
B_300 Proposed Streetscene.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policies D DM1, HER DM4, T SP1 and QE SP1 of the Arun Local Plan.

- 3 All activity at the site is to be carried out in strict accordance with the Arboricultural Impact Assessment and Method Statement, by the Arboricultural Consultancy Ltd (ref. 0517.AMS V1, 11/11/19) and the Tree Protection Plan ref TPP.LR.517.V1.

Reasons: To comply with BS5837 and policy ENV DM4 of the Arun Local Plan to ensure that retained trees are afforded due respect and appropriate levels of protection such that their ongoing health and vitality is not compromised, and they can continue to enhance the landscape and amenity of the area.

- 4 The development shall be carried out in accordance with the submitted "Flood Risk Assessment & SUDS Strategy for Planning" by ARK Environmental Consultancy Ltd (August 2019) and the mitigation measures it details at sections 9.1, 9.5 & 9.6. This includes having the finished floor levels of both parts of the dwelling being raised at 300mm above ground level. The mitigation measures shall be fully implemented prior to occupation and retained & maintained thereafter throughout the lifetime of the development.

Reason: To ensure the safety of the development and future occupants in accordance with policy W DM2 of the Arun Local Plan and the NPPF.

- 5 The development shall be carried out in accordance with the following precautionary measures designed to prevent or minimise any harm to slow worms residing at or using the site:
- Creation of a translocation zone within the garden away from all the building works with exclusion fences to prevent the slow worms from being able to get back into the construction area;
 - Exclusion fencing to be at least 80cm high with approximately 15cm buried in the ground and staked at least every 2m.;
 - Any slow worms found on the site during construction should be relocated to this area; and
 - The exclusion fencing should remain in-situ until completion of construction activities with daily checks and maintenance of the fence.

Reason: Slow worms have been recorded in the local area, in the interests of biodiversity as per the requirements of Arun Local Plan policy ENV DM5 and the NPPF.

- 6 The use of the rear building hereby permitted shall be occupied solely for purposes ancillary to the occupation and enjoyment of 31 Lagoon Road as a dwelling and shall not be used as a separate unit of accommodation.

Reason: To accord with policy D DM1 of the Arun Local Plan and to prevent the establishment of an additional independent unit of accommodation which would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent dwellings.

- 7 No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays. In addition to these hours of working the Local Planning Authority may, upon application, approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition.

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Arun Local Plan.

- 8 No development above damp proof course (DPC) level shall take place unless and until a colour schedule of materials and finishes to be used for all external surfaces of the proposed buildings has been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the buildings.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality in accordance with policies D DM1 and HER DM4 of the Arun Local Plan and the NPPF.

- 9 No development above damp proof course (DPC) level shall take place until full details of the placement of (a) 2 bird nesting boxes either on the buildings or in the rear garden; and (b) construction on-site of a reptile hibernacula to improve conditions for slow worms, have been submitted to and approved in writing by the Local Planning Authority. The approved details shall then be implemented in full prior to occupation and thereafter retained to the satisfaction of the Local Planning Authority.

Reason: In the interests of biodiversity enhancement as per the requirements of Arun Local Plan policy ENV DM5 and the NPPF.

- 10 Prior to occupation of the replacement dwelling, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved dwelling shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge point shall thereafter be retained and maintained in good working condition.

Reason: New petrol and diesel cars/vans will not be sold beyond 2030, to mitigate against any potential adverse impact of the development on local air quality and to provide sustainable travel options in accordance with policies T SP1, T DM1 & QE DM3 (c) of the Arun Local Plan, the Arun District Council Electric Vehicle Infrastructure Study (November 2017) and the NPPF.

- 11 The new dwelling shall not be occupied unless and until the applicant has submitted a scheme for approval by the Local Planning Authority to demonstrate that the development will incorporate decentralised, renewable and low carbon energy supply systems including full details of solar panels or air source pumps. The approved scheme shall thereafter be implemented prior to occupation of the dwelling and any approved renewable energy supply systems shall be permanently retained & maintained in good working order thereafter.

Reason: To ensure that the development is energy efficient and in accordance with policy ECC SP2 of the Arun

- 12 Notwithstanding the provisions of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order, 2015 (or any Order revoking or re-enacting this Order) no extensions or dormer windows to the dwelling houses shall be constructed or additional buildings shall be erected within the curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: To safeguard the privacy of adjoining occupiers, maintain adequate private amenity space and safeguard the cohesive appearance of the development in accordance with policies D DM1 and HER DM4 of the Arun Local Plan.

- 13 The rear bathroom window in building B shall be permanently glazed with obscured glass and fixed to be permanently non-opening.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policies S DM21 and QE SP1 of the Arun Local Plan.

This application is subject to the Community Infrastructure Levy (CIL) as levied under Arun district Council's CIL Charging Schedule as adopted on 15th January 2020.

Shortly you will receive a Liability Notice which includes the calculated charge and person(s) liable to pay. If you have not submitted all the necessary CIL forms such as Assumption for Liability ([Form 2](#)) or any appropriate exemption or relief forms available on the Councils website <https://www.arun.gov.uk/cil> you must

do so prior to commencement of your development. Failure to do so would invalidate any claim for exemption or relief. Furthermore, you must remember to submit your Commencement Notice no later than the day before the day on which the chargeable development is to commence. Failure to do so could result in a surcharge of up to £2,500.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

INFORMATIVE: The Environment Agency strongly recommend the use of flood resistance and resilience measures. Physical barriers, raised electrical fittings and special construction materials are just some of the ways you can help reduce flood damage. To find out which measures will be effective for this development, please contact your building control department. In the meantime, if you'd like to find out more about reducing flood damage, visit the Flood Risk and Coastal Change pages of the planning practice guidance. The following documents may also be useful:

Flood resilient construction of new buildings: <https://www.gov.uk/government/publications/flood-resilient-construction-of-newbuildings>.

INFORMATIVE: The applicant/occupants should phone Floodline on 0345 988 1188 to register for a flood warning, or visit <https://www.gov.uk/sign-up-for-flood-warnings>. It's a free service that provides warnings of flooding from rivers, the sea and groundwater, direct by telephone, email or text message. Anyone can sign up. For practical advice on preparing for a flood, visit <https://www.gov.uk/prepare-forflooding>. To get help during a flood, visit <https://www.gov.uk/help-during-flood>. For advice on what do after a flood, visit <https://www.gov.uk/after-flood>.

INFORMATIVE: The applicant should note that under Part 1 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally take, damage or destroy the nest of any wild birds while the nest is in use or being built. Birds nest between March and September and therefore removal of dense bushes, ivy or trees or parts of trees etc. during this period could lead to an offence under the act.

INFORMATIVE: The applicant should note that under Part 9 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally kill or injure native reptiles including slow worms.

INFORMATIVE: The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received. For further information please contact the Environmental Health Department on (01903) 737555

Decision Issued: 19th January 2022

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
