Good idea! As a young person my partner and I (and friends) are struggling to find a home to buy, as there is such high demand. More housing will benefit us all. Nursing homes, schools and doctors surgery's are so over crowded that it would be so good to have more built to give the others a relief. Support support support - one thing I will say, is I think they should only be eligible to people who already live in the area, to stop over-crowding
