Sirs,

Objection from,

Mr Paul Haynes, [REDACTED]

Planning No objection P/167/21/ RES.

Could you please in addition apply my objection against the following planning applications as the objection remains the same on all...P/153/21/RES, P/155/21/RES, P/158/21/RES.

These developments totally swarm our lovely Pagham Village, which is turning into a mud bath on roads and pavements.

The council has totally ignored the strain on Traffic increase, hospitals, doctors, sewage (already being taken away daily in Tankers before any more houses built) flooding and infrastructure for commuting and retailers.

It is noted that (Sussex Ornithological Society) have clearly stated that the mitigation of the Brent Geese at this site has FAILED. Arun DC against the wishes of the author chose not to put this report on the portal even though it was sent to ADC early July 2021, this has delayed further investigation by other parties.

Regards,

Paul Haynes.
