Subject: MY OBJECTION TO MORE AND MORE BUILDING OF HOUSES

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

My Name is Gerald Bond I live at 15 Church Lane, Pagham, Bognor Regis PO21 4NS.

I Strongly object to all of the following Planning Application Proposals for the following reasons:-

P/140

P/153/21/RES

P/167/21/RES

P/155/21/RES

P/158/21/RES

these are all Excessive Building Developments that do not seem to consider the feelings of the people who live in the areas. It seems that you just do not care or consider the utter turmoil these developments will have on the whole area. There simply is no logistical Infrastructure in place to deal with what difficulties the area will have to deal with. I am still working and want you to realise that some mornings it can take me up to 50 Minutes to get out onto the Chichester by pass. Queue's can start at Barfords of Botley and continue Bumper to Bumper all the way to Chichester with all roads grid locked.

Have you all thought about and considered the following problems???

Traffic (400 + Homes = maybe an additional 800 to 1,000 Cars)

Doctors

Hospitals

Schools

Flooding

Sewage and dirty Water (well I suppose Southern Water will deal with the dirty water !!!!!)

The Nature Reserve (Sussex Ornithological Society have already stated that the mitigation for the Brent Geese Has Failed)

Grade A Agricultural Land - is it now just Ok to build on it ??

and finally the dread of having more and more roads dug up to feed services into the sites causing havoc for months on end for all the local residents.

I do so hope somebody will read this and begin to Understand our local feelings.

Thank you for your time,

Gerald Bond
