Thank you for your internet representation made on 1st December 2021 which has been recorded as an objection with the comments as follows:

OWPC42288

This development was ill conceived from the start, no consideration given to those who reside in Spinnaker View or Mill farm, the application was for maximum occupation without any sympathy for adjacent residents. Having got planning permission via an appeal to the Inspectorate the builder now wants to have access through our well maintained estate to his houses, why, because it is more attractive to purchasers than going down the access road to the Inglenook car park. This access has been agreed suitable by the Inspectorate therefore no need to change. This is all about maximising profit. To increase the height of the houses will make living in Spinnaker View and Mill Farm liken to living in a gold fish bowl. Please check land registry documents for Spinnaker View and there is nothing to say permission has been given for access into Spinnaker View from the Inglenook Site. Thie properties Spinnaker View were purchased on a private estate and that should be respected. Quality of life before profit.

Your views as made above will be considered before the application is determined.
