Thank you for your internet representation made on 1st December 2021 which has been recorded as an objection with the comments as follows:

OWPC42289

As a resident of Spinnaker View I am at a loss to understand how this developer thinks he can gain access across our land , to make his development more attractive...Not only do we all , as shareholders, own the roads ..we also own the fence between the two developments...Anyone trying to break down our fences will surly be committing a criminal act of wanton destruction...I'm thinking that' a lot of facts are not being explained to the council....As for losing three of our parking spaces, that's intolerable...

Your views as made above will be considered before the application is determined.
