Dear Sir

I am writing to object about the above application which has been lodged to use Spinnaker View Road to access and use the road for the new 9 properties that are being built behind the INGLE NOOK public house on Pagham Road .

We bought our property and nothing was mentioned to us ,we were told as it was a private road and it was use for residents of Spinnaker View only.

This will effect our privacy and security .

There are not enough parking spaces .

The builder are going to take our green spaces for parking for the new properties .

To our understanding the build was for two storey and now the builder is putting an application for three storey hence more parking spaces required .

We pay hefty fee for maintaining the roads ,green spaces ,drains etc so we strongly object to the above application .

Your views as made above will be considered before the application is determined.
