Thank you for your internet representation made on 13th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42590

It is utterly ridiculous that this was even allowed to go ahead in the first place, building houses via a narrow single lane car park entrance, but then again, why are we surprised. Why should the residents of Spinnaker View have to take on more vehicles/traffic when and no doubt more car parking, when there isn't enough space as it is, and not only that we would foot the bill for the added maintenance costs. No real thought has been put into this planning application, so make the right decision, and deny it.

Your views as made above will be considered before the application is determined.
