Thank you for your internet representation made on 14th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42625

I object to the dormer windows looking out into our glass roof conservatory, as it is the first floor windows will look directly into my home, the houses are too big and close to us, there was no mention of extra rooms in the original plans, because the developers have now had to buy the strip around spinnaker site, they are trying to recoup that money, the home owners behind this site have a collective age of over a thousand years, it would be appreciated if we had some respect from Arun council.
