Dear Brian,

If you wish to make this change then please provide amended plans via your planning consultant asap as I will need to report the changes to our Committee which is meeting next Wednesday. If I have the amended information by Monday, it can go in my written report update but if later then I will have to report it to the Ctte verbally.

Simon.

Afternoon Simon,

Please could you give me a call when free.

We have decided to not proceed with the dormer window in plots 5, 6, 8 & 9. I know that some residents are not happy with us applying for this, so best to inform them to keep the peace.

We will still be proceeding with the 4th bedroom application with windows in the front gable and velux windows in the bedroom & bathroom.

Kind regards

Brian
