Dear Jon,

Based on your email, we don't consider a new levels condition to be necessary.

Assuming you haven't been formally reinvited to speak, you should assume there are no new speaking rights.

Simon.

Dear Simon,

The architect has confirmed that all of the external levels- roads, gardens etc have not altered, it is just the floor levels of the houses which was reduced by 100mm. We are happy with a condition being applied if any additional details are required.

Please could you confirm whether we have rights to speak at committee or not – as I am just looking to confirm my diary.

Kind regards,

Dear Jon,

Thanks for explaining. I will need to include this in the written report update to Ctte but I do not need to write this until 28/02 therefore if you can ask the architect to check re the levels and let me know before the 28th and then if need be I can include an additional condition in the update.

Simon.
