Dear Nicola,

In response to your letter 25th November, we have extended the red line to include Spinnaker View up to its junction with the public highway, have added visibility splays to the drawings, and have served notice on all relevant parties. Please find attached-

- Revised Certificate B
- Drawing Nos. L001 C, 000 E, BL01 C, 002 E.

This should mean the application is complete and can now be registered- if there are any further queries please let me know.

Kind regards,
