Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 14th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42609

I cannot believe this is even being considered!!

The owner of the Inglenook pub got permission to build houses behind the pub assuring everyone that the side entrance, originally to the car park would be ample space to use as access!
This was granted beyond all belief!

Now the houses are being built it seems that that was just to blag the permission which was granted during lockdown with a five minute inspection at a quiet time!

There are lovely houses in Spinnaker view, now a Private road which someone wants to disrupt!
If permission was granted as is then don't change it. Use the access you applied to use.

Tough for the owner of the new houses!

It seems the builders can't get their equipment in so how would you get a fire engine in there?

It is appalling that building has even started before access is suitable.

Let's hope the new homeowners don't have cars but more importantly don't ruin Spinnaker View!!

Your views as made above will be considered before the application is determined.
