Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 14th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42620

I object to the application to have an access road into our private Spinnaker View road from the new development behind the Inglenook Hotel. This will affect the privacy of our cul de sac road and no doubt cause parking issues with the additional traffic coming into Spinnaker View especially from visitors to the new development. Also the increase of road and foot traffic puts an additional burden on our private road that we are financially responsible for the upkeep. The original planning permission was granted on the basis of access being through the Inglenook car park. If this is not now deemed suitable then surely planning permission should never have been granted?

Your views as made above will be considered before the application is determined.
