Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 19th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42722

I strongly object to this application to allow access through spinnaker view.
we all pay to maintain this private road and many of us would have reconsidered purchasing the property's if we had known this was going to happen.
we wont allow this to happen, if the road by the inglenook was fine for the lorry's and plant machinery to gain access why now would it not be fine for the residents cars? if it was a issue then why was the project allowed to go ahead.
It seems this is purely for them to help sell those houses and to make it more appealing to people viewing these massive new houses.
object object! see sense and leave us alone.

Your views as made above will be considered before the application is determined.
