Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 19th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42723

This is misleading information, there is no permission to come through Spinnaker View. Spinnaker View is private.

We have been told that Arun is not interested whether the developers have permission to come through Spinnaker View or not which again is ridiculous and needs investigating.

Why should we be pushed around by greedy developers (yet again) and have our estate ruined for their benefit.

The original application was passed and so has been deemed satisfactory as an entrance to the site. There is no reason to change the application what so ever.

It is not fair for local residents for one application to be granted (with difficulty) when in reality the developer has other plans which they know will not be passed first time round. This is evident with the original drawings dated in June / July before the ground works began. This has obviously been in talks for a long time hence the condition that the side extension on the Inglenook Pub to be knocked down for access has still not been met.

Absolute objection.

We are currently seeking legal advice.

Your views as made above will be considered before the application is determined.
