Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 20th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42743

This application is an outrage and symptomatic of everything that is wrong with the planning process. Officers and WSCC Highways deemed that the access sought in the original application was acceptable. Members disagreed and the application was refused. On appeal, The Inspector found for the Applicant deeming the access to be satisfactory. It must now be accepted that officers and Highways were correct and members wrong. That being the case this application to reroute access via a quiet and private cul-de-sac which is privately maintained, eradicating their car parking spaces must be deemed completely unnecessary. It would be disgraceful for ADC planning committee to approve it.

Your views as made above will be considered before the application is determined.
