Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/165/21/PL
Site Address: Land at Spinnaker View Pagham PO21 3FL
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 2nd January 2022 which has been recorded as an objection with the comments as follows:

OWPC42935

The original approval was based on the access at the side of the hotel, therefore this should be changed with a new access from spinnaker view. The planning office should consider this as the development was approved on appeal with the side access. No way should this be changed to accommodate the developers request. This will cause further issues to the residents in spinnaker view. If the side access is insufficient why was the development approved, in the first place

Your views as made above will be considered before the application is determined.
