Subject: planning application Inglenook Hotel Pagham

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I am writing to voice that I am totally opposed to access to the development behind the Inglenook Hotel Pagham should now be re-routed to access via Spinnaker Drive. From the outset it was pointed out the access to this development was totally inadequate and highly dangerous but somehow the development was approved on appeal, total disgrace. It can now be said "we told you so"! Now it is reported that the developers want to change the structure of the houses to have dormer windows thus making these houses three storey all overlooking a small Park Home site for the elderly. Please note my objection to this application. Thank you V E Greenaway
