Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: P/165/21/PL  
Site Address: Land at Spinnaker View Pagham PO21 3FL  
Description of works: New vehicular access entrance, relocated parking bays, and pedestrian access associated with the redevelopment of the rear of Inglenook Hotel as 9 No. dwellings. This application is in CIL Zone 4 (zero rated) as other development. This application may affect the setting of a Grade II Listed Building.

Thank you for your internet representation made on 7th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43073

I strongly object to the planning application for the following reasons,  
The site in which I live Spinnaker View is an unadopted road and I as a shareholder am responsible for the up keep of the road and all of its parts at a cost of £15000 a year with more traffic this cost will rise.

With the increase in traffic at the exit of Spinnaker view which is opposite a bus stop would make it very dangerous exit.

The reduction of our required turning circle will make it impossible for the refuse truck to turn round, this was a planning requirement for our site also using the footpaths as visitors parking will require residents walk in the road.

The Planning application also request a second entrance into Spinnaker view for bin storage the area can only accommodate 22 bins no more. it is impossible

Your views as made above will be considered before the application is determined.
