Thank you for your internet representation made on 10th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43139

I strongly object to planning application the road I live in Spinnaker view is adopted rd as a shareholder I pay towards up keep of road at a cost of £1500 a year with more traffic costs will rise ! The reduction of our required turning circle will make it impossible for refuse truck to turn around this was a planning requirement for our site also using footpaths as visitors parking will require residents to walk in road ! The planning application also requests a second entrance into Spinnaker view for bin storage this area can only hold 22 bins no more it's impossible

Your views as made above will be considered before the application is determined.
