Having read the planning statements from some of our neighbours in Barton Close and having lived here with my family for over 26 years, I respectfully request that you refuse planning permission to re-develop an historic entrance set aside by Arun into a carpark and log-shop. I can state with accurate background knowledge, that Barton Close was a meandering country lane created well before most, if not all our neighbours had moved in. The hedgerow and walls to some of the properties have been removed and I have seen over the years, a deterioration from what was a really unique country lane and a happy place to live.

Your views as made above will be considered before the application is determined.
