Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/167/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning permission P/140/16/OUT for the erection of 375no. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road. This site may affect a Public Right of Way.

Thank you for your internet representation made on 3rd December 2021 which has been recorded as an objection with the comments as follows:

OWPC42330

I object to this application unless and until the following is resolved:

1. The submission documents with this Reserved Matters application also include a iTransport Statement dated 18th November 2021 which refers in para 2.3.3 to the contribution amounts towards various Pagham Road junctions, cycle path routes 100,106 and 104, and towards Whyke Hill junction. In view if the size of this and other developments that are progressing in proximity, confirmation should be obtained from WSCC Highways and from Highways England that these works will be completed prior to occupation of any dwelling under this development.

2. The submission documents also include a (draft) Ecology Survey Summary Report dated 4th November 2021 which states in para 4.10 that more wintering bird studies will be carried out in the winter of 2021/22 but does not explain why these further studies are necessary, nor, makes any reference whatsoever to the findings of the Sussex Ornithological Society 3-year P/140/16/OUT study and reported 4th July 2021 which clearly established what was required.

Your views as made above will be considered before the application is determined.
