Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: P/167/21/RES
Site Address: Land South of Summer Lane and West of Pagham Road Pagham
Description of works: Approval of reserved matters (appearance, layout, landscaping and scale) following outline planning permission P/140/16/OUT for the erection of 375no. dwellings, together with public open space, play space, drainage, parking and associated infrastructure, landscape, ancillary and site preparation works, with access off Pagham Road (alternative to P/153/21/RES). This site may affect a Public Right of Way.

Thank you for your internet representation made on 16th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43289

In any event:

Building the proposed houses will cause

1. massive traffic congestion between Pagham and Chichester at all times of day
2. major drainage and flooding issues
3. major sewage overflow issues
4. loss of prime agricultural land
5. detrimental effects on wildlife/Pagham Harbour Nature reserve
6. If granted, the road will have to be widened and a cycle lane should be constructed.
7. This development should be elsewhere on a brownfield site.
8. The houses will not sell because the road is currently inadequate for traffic and will become gridlocked during and after the development so that the development will become a white elephant/ghost town that no one wants to live in.
9. Any one of the above reasons should be enough to refuse the permission; the combination of negative factors should be overwhelmingly against it. Permission should be refused.

Your views as made above will be considered before the application is determined.
