Dear miss Willard,

Many thanks for your e-mail. I have talked to Wayne Windows and they have confirmed that the glazing bars will be integral and not glued to the face of glass. In the letter from conservation officer, he states that we have submitted a householder application, this is not true as I have submitted listed building consent not house holder application.

I hope this is to your satisfaction and be glad to assist if further information is required.

Kind regards
Farhad Aarabi

Dear Mr Aarabi,

P/169/21/L at Neals Farmhouse

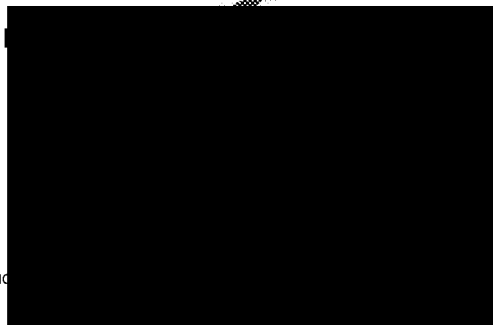

I am the officer on your application. I have received comments from the Conservation Officer which I attach. He states 'the glazing bars in such windows should be integral and not glued to the face of the glass'. If this is the case the application would be refused.

Alternatively I can apply a condition which states the windows must have integral glazing bars.

Please let me know if this is acceptable.

Thanks

Amber Willard
