

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Arun District Council FAO: Jessica Riches
FROM:	WSSC – Highways Authority
DATE:	10 February 2026
LOCATION:	Land at Hook Lane Pagham PO21 3PB
SUBJECT:	P/16/26/DOC Approval of details reserved by condition under P/149/23/S73 relating to condition 15B (Construction Management Plan).
RECOMMENDATION:	Advice

WSSC Highways are aware of the issues resulting in the submission of the revised construction management plan. On-street parking along Hook Lane has been reported with this generated by contractors working on the nearby construction site. WSSC Highways acknowledge that this parking narrows the carriageway and requires vehicles to give way. Such occurrences are not unusual within residential areas although is understood to not be an issue that ordinarily occurs along Hook Lane and there are no existing enforceable controls. It's also noted that this parking is to occur temporarily.

Whilst WSSC recognise the inconvenience that may occur from the on-carriageway parking, this would not be expected to generate any unacceptable safety or otherwise severe impacts. WSSC have no objections to the revised (rev C) construction management plan.
