Good afternoon Jessica,

Application Reference P/16/26/DOC

Thanks for providing us with the acknowledgement letter for the above application.

Following the submission of the revised CEMP (RevB), our client has provided us with a further updated CEMP (RevC) and two letters, one addressed to Mr Richard Brown of Arun District Council and one addressed to the residents.

We would greatly appreciate if the previously submitted CEMP can be substituted with the attached version and the letters can be included in the application as supporting information.

We trust that this is acceptable, please call us should you have any queries or wish to discuss the above request.

Kind regards
Sebnem
