Hi Nicola,

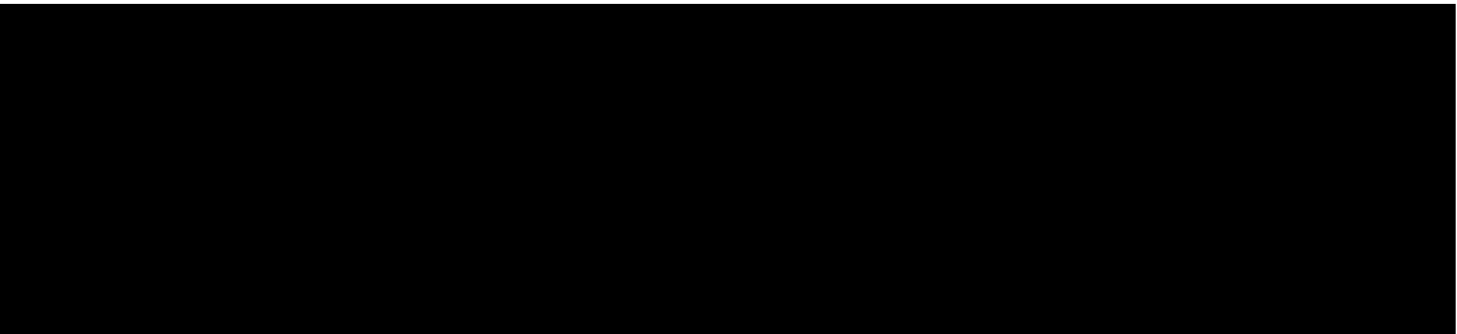

We responded to your letter with additional information yesterday. This was sent to planning services but I note you are listed as a contact. Is it now possible to receive validation confirmation?

Kind regards,

Dear planning team,

Following receipt of the attached correspondence we include an updated Location Plan and also a DAS which has been update to take account of the new redline. The new redline includes land within ownership of the Highway Authority and accordingly they - West Sussex County Council - have been served notice today by letter and relevant notice form under Certificate B.

We trust this now enables you to be able to validate the application. Should you require anything further please let us know.

Kind regards,

John-Rhys Davies MRTPI
