Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 17th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43333

The many developments in Pagham are having a major detrimental effect on the residents of Mill Farm estate who collectively have invested over GBP74m in what is a well maintained and quiet estate in which to live. This tranquility is being shattered by the constant building of 2 storey houses overlooking gardens and blocking out views over the nearby countryside.

Apart from that where is the investment in the infrastructure necessary to support such developments especially waste. The plant at the end of Summer Lane is very small and constant discharges into the Pagham Rife are further proof of the detrimental impact any new developments will have on the environment. They will only exacerbate the problem.

I therefore object in the strongest possible terms about this latest application, which will impair the view of at least 25 houses on the estate.

Rgds

Rick Bailey
