Dear Sir/Madam,

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 17th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43355

How can you keep building houses in Pagham, the doctors are over run as it is, there is no work for all people that will move into the area. There already problems with sewage being dumped in the sea killing wild life. The main road out of Pagham for Chichester will be so dangerous as it has no speed limit. Since moving here 2002 I have been surrounded by houses my view has been ruined and the wild life has gone but you still intend to keep building I just don't understand it

Your views as made above will be considered before the application is determined.
