Subject: Objection to Planning application P/178/21/OUT

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

My name is Ian Brooks.

I live at Summerfield House, Summer Lane, Pagham, PO21 4NG.

I **object** to the above planning application on the basis that it is wholly unnecessary to consider such an application given the amount of new housing for which outline planning permission has already been granted in Pagham. The threats to land drainage, sewerage and traffic from the existing applications are well documented as are concerns over the sufficiency of medial facilities and schools - all of which appear to have been ignored.

If the building of a further 100 houses is to be considered in Pagham it should only be done off the back of the developments, for which outline planning permission has already been granted, either being completed or abandoned so that the consequences on the activities outlined above can be properly understood.

Please record this email on the file for P/178/21/OUT.

Ian Brooks
