I object to the above application.

The village is not fit for yet more houses.

The infrastructure is not capable of supporting more houses and people. The roads are already gridlocked on Pagham Road towards Chichester.

Access from the proposed site into Pagham Road will be unsafe to drivers

There is not enough medical provision now and in the area. The sewage works are not sufficient to cope.

This particular application will encroach upon the Mill Farm Residential Park Home boundaries and the height of these new properties will overshadow the park homes and also their privacy.

This development will destroy wildlife and yet another piece of our precious land will be destroyed.
