This proposal is one step too far. The residents of Mill Farm estate have seen the beauty of the area disappear under a mass of red bricks with two storey houses built right up to our boundary fences. Increasing heavy traffic on roads that are breaking up. The residents of Mill Farm are a large part of this community and are offended by the ignorant comments made by Hallam Developments referring to us as an ugly caravan site as we contribute significantly with council tax ETC. If this development goes ahead this estate will be surrounded and dwarfed spoiling a lovely village and people will wonder why Arun District Council is happy to reduce this area to a eyesore of buildings when other parts of the country are embracing more green credentials.

Your views as made above will be considered before the application is determined.
