Re Land West of Pagham Road, Pagham adjacent to the windmill

My views on your suggestion of a further 100 homes on this land which it appears is opposite the 300 proposed on Hook Lane are that it should in no way be considered. You are well aware of the ridiculous number of new homes we are already being lumbered with when already the B2166 Pagham Road can't cope with the volume of traffic nor do Pagham and Rose Green have capacity in Doctor's surgeries.

I think you should wait to find out the negative impact the developments you have already imposed on the residents here have before adding insult to injury.

Shameful.
