Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/178/21/OUT
Site Address: Land West of Pagham Road Pagham
Description of works: Outline application with all matters reserved (except access) for the construction of up to 106 new homes, formation of access onto Pagham Road, new pedestrian and cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features and associated ground works and infrastructure. This application is a Departure from the Development Plan and may affect the setting of a Listed Building.

Thank you for your internet representation made on 24th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43675

My reasons for objection to this are as follows:

Too many developments already! What with Sefter Road, Hook Lane, The Inglenook, Summer Lane and land south of Summer Lane. All these projects are entering from or exiting to Pagham Road which cannot take any more traffic. They will totally surround the village,

The infrastructure is not there what with potential for flooding and sewage issues all at capacity.

Building on good agricultural land cannot be ideal if we are to become self sufficient in the future.

Stop changing the settlement boundary which you put in place presumably for a reason, or stop changing the goal posts to suit yourselves!

If all these developments go thru, just think how many cars will be trying to get to the A27 on only one available road - Pagham Road! Chaos!

Your views as made above will be considered before the application is determined.
